## Section 1: Health & Safety Policy

Éire Óg Greystones GAA is committed to promoting and supporting the development of the local community through Gaelic Games and Culture and to use the resultant sense of place to create a constructive, inclusive, and positive *tir grá* for the surrounding area.

We are strongly committed to encouraging our members to take part in all activities bearing in mind that the health, well-being, and safety of each individual is always our paramount concern. We recommend levels of training and participation dependent on age and ability and expect our players to participate within these boundaries.

It is the policy of Éire Óg Greystones GAA to promote standards of health and safety within the club which will lead to the avoidance or reduction in risks to health and safety, to continually improve our safety performance and to ensure that the best practicable methods of compliance with the Safety, Health and Welfare at Work Act 2005, and associated legislation are achieved.

This Safety Statement, in accordance with Section 20 of the Safety, Health and Welfare at Work Act 2005, outlines the policy of Éire Óg Greystones GAA in relation to the management of health and safety. Éire Óg Greystones GAA is committed to managing and conducting our activities in such a way as to ensure, so far as is reasonably practicable, the safety, health and welfare of our members and others who may be affected by the club's activities.

This will be achieved by the following (so far as is reasonably practicable):

- the provision of a safe buildings, play and training areas, including safe access and egress;
- the provision of safe plant and equipment, articles and substances;
- the provision of safe systems;
- the provision of welfare facilities;
- the provision of appropriate information, instruction, training and supervision;
- determining and implementing appropriate preventative and protective measures;
- having regard to the general principles of prevention;
- the provision of emergency plans and procedures;
- reporting accidents and incidents; and
- obtaining, when necessary, the services of a competent person to advise on health and safety.

The detailed arrangements for achieving these objectives are set out in the main body of the Safety Statement. Éire Óg Greystones GAA is also committed to managing and conducting club activities in such a way as to prevent, as far as is reasonably practicable, any improper conduct or behaviour (including bullying/harassment) likely to put the safety, health or welfare of members at risk.

The Chairperson of Éire Óg Greystones GAA has overall responsibility for health and safety within the club. Members share this responsibility in ensuring their own safety while participating in activities. Members are encouraged to put forward suggestions for improvement to this document. The Safety Statement will be reviewed in light of experience and future developments within the club.

Signed  \_\_\_\_\_

Chairperson – Larry Howard

Dae: 15-02-2023

An AED/Defibrillator is kept on the outside wall of dressing room building at club house. Code [2947] is written on the side of the defib cabinet.

First Aid Kits have been provided to the lead coach at each age group. These are re-stocked as needed. These first aid kits will be taken to all club activities off the premises, these are kept in the coaches' vehicles & pitch side during games.

Persons responsible for keeping First Aid kits stocked is the Club Volunteers & Coaches.

## Section 3: Roles & Duties

The employees of [Éire Óg Greystones GAA](#) have a legal responsibility to ensure Health and Safety at Work. There are no current employees in [Éire Óg Greystones GAA 2023](#).

Employees have the following duties under Section 13 of the Safety, Health and Welfare at Work Act 2005.

- To take reasonable care of their own health and safety and that of other persons who may be affected by their acts or omissions.
- To co-operate with their employer or any other person to enable the employer or other person to comply with statutory obligations.
- To correctly use any appliance, protective clothing, convenience, equipment or other means provided for securing safety, health and welfare.
- To attend required safety training where reasonably required to do so by employer.
- To report to their employer, without delay any defects of which he/she becomes aware in equipment, place of work or system of work, which might endanger safety, health or welfare.
- Not to intentionally or recklessly interfere with any safety measure provided.
- Any such action will lead to disciplinary procedures being applied.
- To be familiar with the full safety procedures and safe work methods as provided by the employer.

In addition each employee of [Éire Óg Greystones GAA](#) is required to report to their chairperson/secretary immediately any accident resulting in loss or injury and any dangerous occurrence which could have resulted in loss or injury.

### *3.1 Stop Activities Orders*

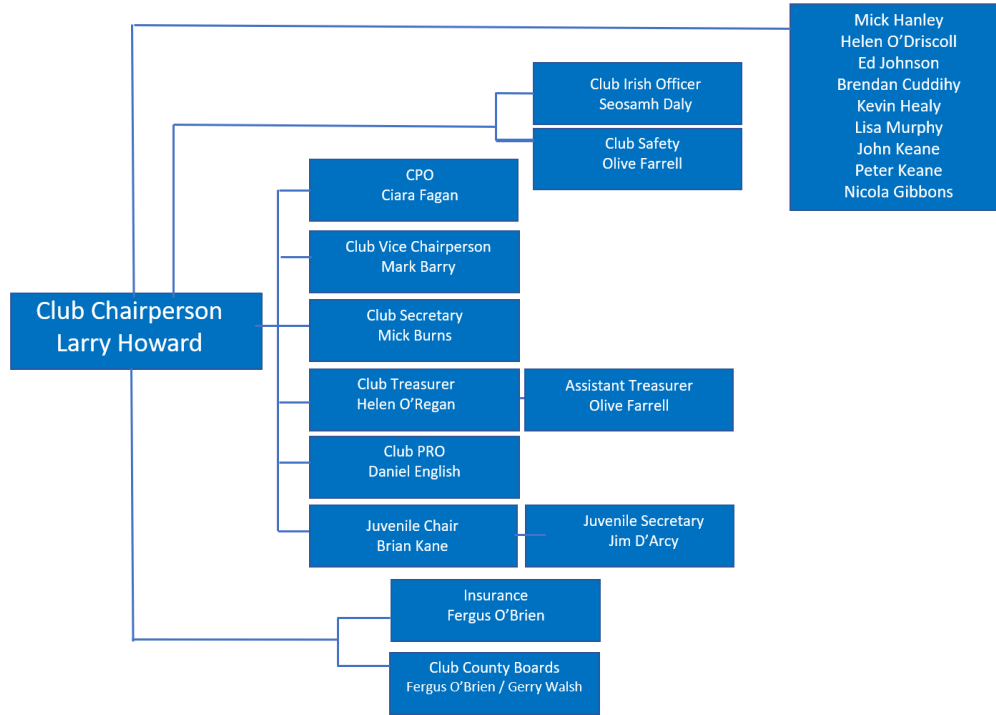

All employees, members, coaches and contractors have the responsibility and authority to stop activities immediately, without fear of reprisal where they consider an imminent danger to be present. The danger may pose a threat to their own health and safety or the health and safety of others. It may also adversely affect the local environment. Timing is a critical factor. There should not be any delay in calling for a stop activities order. There shall be no blame or fault placed on an employee, coach, member or subcontractor for calling for a stop activity order even if following an investigation, it was deemed unnecessary. Activities that have ceased a stop activities order shall not be resumed until all safety aspects are cleared.

## Section 4: Organisational Chart

### Club Committee Members 2023

### 4.1 Health And Safety Roles And Responsibilities

#### Chairperson and Executive Committee:

The Chairperson of Éire Óg Greystones GAA, **Larry Howard**, along with the Executive committee, coaches, volunteers, members and the 3<sup>rd</sup> party contractors have ultimate responsibility for all aspects of Health and Safety in the club.

The Chairperson & executive committee have overall responsibility for the running of the Club and as such are responsible for protecting the health and safety of all affected by the club's activities.

The Chairperson will provide the necessary resources to implement and administer the Safety Policy as set out in Section 1.0 of this document and will ensure that appropriate arrangements and systems are put in place to enable the effective management of the Health and Safety function.

They will actively encourage, monitor and participate in initiatives designed to improve Health and Safety in the Club.

To achieve this, the Chairperson and Executive Committee ensure that the responsibilities and authorities for relevant roles are assigned, communicated and understood for the Health and Safety within the club as follows;

#### 4.1.1 Responsibilities of the Chairperson

Will ensure that:

- Adequate resources are made available so that the Safety Policy can be carried out efficiently
- The members of the General Committee are fully aware of their responsibilities in relation to occupational safety and health
- All members are accountable for their performance in relation to occupational safety and health
- The Safety Statement is reviewed regularly, and its operation monitored

#### 4.1.2 The Club executive committee.

They will ensure that:

- Safe systems and practises are incorporated into all activities in the club
- All activities are continually monitored and that any potential unhealthy or dangerous practices are reported and eradicated
- Any specialist or H&S training, if required, is discussed, authorised and put into practise
- Any wilful breach of safety rules is reported and that the club disciplinary procedure is activated if it is deemed necessary

In relation to training and playing facilities they shall ensure that:

- Machinery such as grass mowers are used only by authorised and experienced personnel
- All equipment and machinery are securely locked away when not in use
- The premises are properly secured when not in use and not available for any ad hoc activities
- Third party contractors do not commence work of any kind unless evidence of insurance and safety legislation compliance is forthcoming.
- Any incursion or unauthorised entry is prevented and, if unable to prevent such, will report such incursion to An Garda Síochána
- A fully equipped First Aid Kit is available at the club at all times
- Waste and refuse are managed and collected by the appropriate agency

In relation to the club house, they shall ensure that:

- All functions in the clubhouse have the prior authorisation of the Executive Committee
- The documentation in relation to the booking of functions is properly completed prior to the function taking place
- That all non-members entering the clubhouse for functions have prior permission to enter the inner premises
- There is always a senior club member present to supervise the function

- Ensure that event organisers are instructed that the toilets and dance floor are inspected at least once per hour and that all spillages are immediately cleaned up
- Guests do not bring any items onto the premises which could endanger other guests
- All functions are closely supervised and that guests do not age in 'horse play' of any kind
- Persons using musical equipment comply with any instructions from the supervisor
- Non-members who are allowed to prepare functions do not climb above ground level

#### 4.1.3 Secretary/Runai

Will ensure that:

- Any discussion, reports or suggestions relating to the Safety Statement which are raised at General Committee Meetings are recorded and actioned
- Any Accident Reports, Hazard I.D. Reports, H&S Audits etc. are retained as club records and reported outside the club as decided by the General Committee
- Any correspondence relating to Health and Safety is brought to the attention of the General Committee and any subsequent actions are recorded

#### 4.1.4 Coaches & Mentors

Will ensure that:

- All coaching activities in the various sections are carried out according to guidelines laid down by the Club.
- All child protection guidelines are adhered to.
- Sufficient coaches are available to ensure safe supervision

#### 4.1.5 Safe Club Leader

Appointed for each venue and have sufficient competence and authority to take responsibility for safety at the ground. Safety should be the sole responsibility of the safety co-ordinator and a deputy should also be appointed for major events.

Key duties of the Safety co-ordinator include:

- The Safety Statement is circulated to the appropriate personnel and that it is widely available in the club through notice boards, team managers, on website etc.
- Any amendments to the Safety Statement as may be made from time to time are included in an updated version as soon as possible
- Ensuring compliance with the Codes of Practice for Safety at Sports grounds and any other relevant guides or legislation.

- Drawing up and implementing a programme of checks, inspections, tests, training and remedial works so as to eliminate or minimise the potential risk to spectators and staff.
- Keeping appropriate records of checks, inspections and tests on all structures, installations and equipment.
- Ensuring that records of staff training are kept.
- Attending all pre-event planning meetings and post event meetings.
- Ensuring all medical provisions such as ambulances, medical personnel and medical equipment are in place.
- Producing an Event Safety Management Plan incorporating contingency planning, medical and stewarding provisions and risk assessments.

#### 4.1.6 Contractors and Self Employed

As [Éire Óg Greystones GAA](#) occasionally contracts out some work activities the executive committee recognize that it has a duty of care as outlined in the Safety Health and Welfare at Work Act 2005 to take all reasonably practicable steps to secure the safety of sub-contractors and their employees.

##### **Persons contracted for specific projects must:**

- Comply with The Safety Health and Welfare at Work (Construction) Regulations 2013 and all other relevant statutory requirements.
- Provide suitable Safety Statement to Chairperson/secretary of [Éire Óg Greystones GAA](#) before commencing work.
- Adhere to duties of employees and safety rules as listed on previous page.
- Produce evidence as requested of appropriate Employers Liability and Public Liability insurance cover.
- Co-operate with [Éire Óg Greystones GAA](#) to provide a safe place of work and safe systems of work.
- Agree to comply with the requirements of this Safety Statement.
- Ensure all their employees and others under their care are provided with and wear suitable PPE where necessary.
- Use only competent and suitable workers on the job.
- Use only safe, well-maintained tools and equipment on the job.
- Provide evidence of employee competence as requested, e.g. training records, skill cards, etc.
- Bring to the attention of [Éire Óg Greystones GAA](#) the intended use of any material or process which may endanger Health and Safety e.g. hot work, chemicals, work at height etc.
- Obtain consent from [Éire Óg Greystones GAA](#) before persons other than employees on the work site.

##### ***Club Safety Rules.***

- Smoking on club grounds and in clubhouse is prohibited.
- No horseplay, running or reckless behavior.
- Any employee, member or contractor reporting for club activities under the influence of substances will be immediately suspended and dealt with under our Disciplinary Procedures.
- Keep club grounds & premises tidy.
- Do not operate equipment unless trained and authorized to do so.
- Respect the property and equipment of the club, the employer and other employees & members.

## Éire Óg Greystones GAA Safety Statement

- No unauthorized persons allowed in work areas e.g offices, bar, gyms.
- All accidents, incidents or near misses to be reported without delay to the club secretary.
- Respect the dignity of all persons in the club.

## Section 5.0: Emergency Procedures

### 5.1 Fire

#### 5.1.1 Club Buildings & Grounds.

Under the Fire Services Act 1981 it is the duty of Éire Óg Greystones GAA to:

- Take all reasonable measures to guard against the outbreak of fire.
- Ensure as far as is reasonably practical the safety of persons on the premises in the event of an outbreak of fire.
- The following procedure must be followed in the event of a fire in the Club's buildings.
  - First Raise the Alarm and notify any others on the premises.
  - Switch off power if safe to do so.
  - Fight the fire only if it is safe and you are trained to do so.
  - Evacuate the building closing doors on the way behind you.
  - Fire Wardens to sweep the building.
  - Proceed immediately to designated Assembly Point behind the ball wall or on training pitch beside green shed.
  - Contact the Fire Service by dialing 112 or 999 giving clear directions to the exact location of the fire.
  - Do not re-enter the building for any reason until given all-clear by Fire Service.

#### 5.1.2 Other Sites:

- Raise the alarm and notify all others in the area immediately.
- Remove vehicles and equipment to a safe distance if safe to do so.
- Contact the Fire Service by dialing 112 or 999 giving clear directions to the exact location of the fire.
- Do not put yourself or others at risk by fighting fire. Fight the fire only if safe to do so and if trained in use of firefighting equipment.
- Follow instructions of Fire Service.
- Notify the Chairperson of any fire, large or small.

The following club members are trained as Fire Marshalls:

Description	Number	Course Year
Olive Farrell	087 2054214	Mar 2022
Brian Kane	087 4475354	Mar 2022
Daniel English	086 3544954	Mar 2022
Eamon McLarnon	087 9204375	Mar 2022
Helen O'Regan	087 4111994	Mar 2022
Jim D'Arcy	085 2630288	Mar 2022
Kevin Healy	087 2393289	Mar 2022
John Connor	085 8008331	Mar 2022

## 5.2 *Serious Injury:*

In the event of an accident-causing major injury to any person in the club the chairperson or secretary must be informed immediately and must then direct the following procedures.

- Observe accident location and status of injured person.
- Call for immediate medical assistance and/or emergency services.
- Administer First Aid if trained to do so.
- Ensure full and clear directions are given to emergency service to aid speed of response.
- Get suitable person to travel to hospital with the injured person.
- Inform appropriate next of kin.
- Inform the executive committee without delay.
- Collect as much information as possible about circumstances and details of the accident.
- Take photos of the area where the accident occurred.
- Obtain witness statements and write them word for word.
- Write up Accident Report Book and Form IR.1 (complete online at [www.hsa.ie](http://www.hsa.ie)) and send to HSA where required i.e. if accident results in injured person being absent from work for over 3 days or a member of the public is injured – the Chairperson is responsible for carrying this out.
- Do not move anything unless there is a risk of further injury until the accident scene has been investigated by the insurance company and the HSA where required.

## 5.3 *Other Emergencies:*

Any serious accident or incident will be treated as an emergency.

- 1 Assess the nature of the emergency as quickly as possible.
- 2 Call for assistance.
- 3 Raise the alarm if necessary.
- 4 Prevent the emergency from spreading e.g. shut off, electricity, water, gas etc.
- 5 Call the appropriate emergency service e.g. ambulance/ fire service.
- 6 Evacuate if necessary and assemble at appropriate Assembly Point for a head count.

## 5.4 *Accident Reporting/Investigation*

### **Documentation:**

Safe Club accident report form to be completed form located at <https://learning.gaa.ie/safeclub>

All accidents and incidents to be reported to the club secretary who will then forward to the GAA Health and Safety Officer - [patrick.obrien@gaa.ie](mailto:patrick.obrien@gaa.ie)

HSA Form No. IR1: Form of Notice of Accident (see [www.hsa.ie](http://www.hsa.ie)).

HSA Form No. IR3: Form of Notice of Dangerous Occurrence  
(see [www.hsa.ie](http://www.hsa.ie)).

## Procedure:

All accidents without exception are reported to the Chairperson and Safe Club Leader.

All accidents including minor injuries (cuts and bruises), without exception are to be recorded.

All accidents involving Injury, visits to doctor or hospital and dangerous occurrences involving significant damage to plant or equipment are to be recorded and reported to the GAA insurance department without delay.

If the dangerous occurrence falls within the definitions given on HSA Form No. IR3, then this form must be completed.

On the accident/ incident register on the Clubs database the following information must be noted:

- o Name of person injured.
- o First Aid treatment (and time of treatment).
- o Time, date, location of accident.
- o How it happened.

The Chairperson in conjunction with the injured party should complete this.

The Accident Report Form should be completed as soon as possible after the accident by the Chairperson/ Secretary or Safe Club Leader on site.

Witnesses should be questioned immediately. The person to whom the accident happened should be questioned as soon as medical treatment, etc. has been given. It should be clear to all that the purpose of the questioning is not to assign blame but to get to the root cause as to avoid similar incidents in future. In carrying out the questioning and the subsequent investigation the check list should be addressed as appropriate.

The Chairperson/Safe Club Leader is normally responsible for investigating all significant accidents. The Chairperson/SCL will assist in investigating reportable accidents i.e. over 3 days absence from work due to work related injury/illness. Results of investigations will be used to determine root cause and to identify remedial actions to mitigate against recurrence of similar incidents.

Next of Kin details are kept in personnel files. The Chairperson or manager will contact the designated next of kin where a person at work has an accident that requires attending a hospital.

If either HSA Form No. IR1 or IR3 require to be completed these shall be copied on completion, the original sent as soon as possible to the HSA at the address given on the form; the copy retained on file, which should be available for inspection by an inspector from the HSA at any time in the future. These forms can also be filed in online at [www.hsa.ie](http://www.hsa.ie).

The Chairperson in conjunction with the Safe Club Leader will carry out regular reviews of the Accident Register.

## Accident Report Details / Investigation Check List

Suggested aspects of an accident which should be kept in mind, and addressed if appropriate or relevant, by the Supervisor reporting the accidents on the Accident Report Form.:

- What instructions, if any, were given to the person before the accident?
- Was the person familiar with the operation?

- Was the person trained on the operation involved?
- When was training given?
- By whom?
- Were there written instructions/Procedures?
- Were the Procedures being followed correctly?
- Who was in charge at the time of the accident?
- Where was he/she at the time?
- Was personal protective equipment/clothing required?
- Was it worn correctly?
- Condition of protective equipment before accident?
- Condition of protective equipment after accident?
- Distance of accident from safety fire extinguisher/fire blanket?
- Was first aid treatment administered?
- What is the extent of the injury?
- Was the first aid equipment serviceable?
- Did it work correctly?
- Were there any obstructions in the way to the first aid equipment?
- If equipment involved:
  - what equipment?
  - state of the equipment?
  - was a defect in the equipment responsible?
  - last serviced/maintained (date)?
  - by whom?
  - Any other material factors relevant to the particular operation at the time?

## Section 6: General Arrangements

### 6.1 *Safety Consultation/Safety Representative*

Éire Óg Greystones GAA recognizes the importance of employee & member consultation in contributing to a safe Club. To facilitate consultation the Safe Club Leader – Olive Farrell - has been selected to act as Safety Representative.

Employees & members are encouraged to put forward submissions or suggestions regarding health and Safety issues to the Safety Rep.

All reasonably practical steps will be taken to act on any concerns or suggestions.

Also, regular meetings are held with employees & members at which Health and Safety issues are discussed – This takes place at the club executive meeting.

Health and Safety issues affecting contractors are communicated to them when starting work if necessary.

Employees, members and contractors are encouraged to contact the club with any concerns they may have.

### 6.2 *Induction Training*

On commencing employment with Éire Óg Greystones GAA all new workers will undergo training in the functions and duties of their position.

Induction training will also cover the following Health & Safety issues:

- Fire and Emergency procedures.
- Common hazards in the workplace.
- Club Safety rules.
- Site Health and Safety Rules (if required)
- Good housekeeping practice.
- HSEQ Policy.
- Club Safety Statement
- Risk Assessments
- Display Screen Equipment (if required)
- Environmental Training
- Driving for Work (if required)
- Any other relevant Safety information.

### 6.3 *Ongoing Training*

Training needs will be assessed regularly and where a requirement for further training is identified arrangements will be put in place for such training to be provided by a competent person.

Signed attendance records will be kept for all training completed.

## 6.4 Visitors Policy And Procedure

A visitor is any person other than an employee, member or contractor (including suppliers delivering goods), who has been given permission to be at the premises or club grounds for a specific named purpose.

Visitors shall include the following:

- Potential contractors quoting for work or preparing plan for a contract,
- Representatives of potential or existing suppliers of goods or services.
- Representatives of regulatory or statutory bodies e.g., County Council, HSA etc.

The following procedure applies to all visitors:

- [Éire Óg Greystones GAA](#) will be notified of any expected visitors.
- Spectators who are not members
- Visitors should make an appointment in advance. *(this is non applicable for spectators on match days)*
- Visitors must report to the club nominated member on arrival
- Visitors must always be accompanied on premises by an authorized person.
- Visitors must comply with any safety signs or instructions in the workplace.

## 6.5 Waste Disposal

It is the policy of [Éire Óg Greystones GAA](#) to:

- Minimize the amount of waste generated.
- Recycle as much as possible of waste materials.
- Dispose of any waste generated on the site in a safe and appropriate manner.

To achieve these aims [Éire Óg Greystones GAA](#) will:

- Return packaging to suppliers where possible.
- Where reasonably practicable use most environmentally safe procedures and products.
- All waste must be disposed of in an authorized and environmentally safe manner using only licensed contractor.
- Take particular care to dispose of paint or chemical containers appropriately (as recommended by manufacturer).

NOTE: It is the responsibility of each sub-contractor to properly dispose of waste generated by them.

## 6.6 Personal Protective Equipment

# Éire Óg Greystones GAA Safety Statement

Éire Óg Greystones GAA recognizes its duty to provide PPE to employees where risks cannot be eliminated or reduced to an acceptable level.

The PPE provided shall consist of:

- Safety footwear
- High Vis Clothing
- Eye protection (if required)
- Hearing protection (if required)
- Gloves (if required)
- Hard hat with chin strap (if required)
- Any additional PPE identified on the club's risk assessment

In addition, where risk assessment determines a need for further protection this will be carefully selected to provide adequate protection for all activities involved.

This will include:

- Fall prevention equipment.
- Respiratory protection.

The requirement for PPE will be identified under the "Control Measures" section of the Risk Assessment carried out in the preparation of this Safety Statement.

Employees are reminded of their legal duty to wear/use any PPE or safety equipment provided.

## 7.0: Revision of Safety Statement

- This Safety Statement is a continuous document and will be reviewed at least annually by the executive committee & chairperson.
- Where a significant change occurs in the activities of the Club which has an impact on Health and Safety, the Safety Statement will be revised to take account of risks arising from and controls required for such changes.
- The Safety Statement may also be reviewed at the request of the Health and Safety Authority, the clubs insurers or in the event of changes in legislation.
- The Safety Statement will also be reviewed in the event of any accident, incident or dangerous occurrence in order to avoid such happenings being repeated.
- Suggestions or representations put forward by employees shall be considered and where appropriate included in updated Safety Statement.

## Section 8.0: Resources Provided for The Management Of Safety Health And Welfare.

Éire Óg Greystones GAA is committed to providing the necessary resources to properly manage Safety, Health and Welfare at work.

These resources include:

- Committee
- Safe Club Leader
- Executive committee
- Consultants as required

### **8.1 Finance**

Each year sufficient funds will be made available to provide training, safety signs, protective equipment etc. The amount budgeted will be reviewed annually and increased if necessary.

### **8.2 Time**

Sufficient time will be allocated for safety meetings and staff consultations.

### **8.3 Training**

All new employees will receive induction training. All employees will receive manual handling training.

### **8.4 Professional Advice**

Where necessary the services of a professional competent person will be employed.

## Section 9.0: Employee Declaration

I have read and received the Safety Statement of [Éire Óg Greystones GAA](#)

I understand my responsibilities and duties listed in Section 3.0.

DATE

## Part 2: Hazard Analysis and Risk Assessment Methodology.

RISK ASSESSMENTS WILL BE CARRIED OUT IN CONSULTATION WITH EMPLOYEES, COMMITTEE & MEMBERS HAVING REVIEWED THE CLUBS'S FACILITIES AND ACTIVITIES, BOTH IDENTIFYING THE HAZARDS THAT EXIST AND ASSESSING THE RISKS ARISING FROM THE HAZARDS.

- WHERE ADDITIONAL CONTROLS ARE REQUIRED TO AVOID OR REDUCE THE RISK, THEY WILL BE IDENTIFIED ON THE RISK ASSESSMENT ACTION LIST AND WILL BE IMPLEMENTED BY THE RESPONSIBLE PERSON
- EVERY REASONABLE EFFORT WILL BE MADE TO GIVE PRIORITY TO THE IMPLEMENTATION OF CONTROLS FOR THOSE HAZARDS OF MOST CONCERN
- WHERE THE NECESSARY COMPETENCE TO CARRY OUT PARTICULAR RISK ASSESSMENTS IS NOT AVAILABLE IN-HOUSE, ADDITIONAL EXPERTISE WILL BE OBTAINED
- WHEN A PROCESS, TASK OR ACTIVITY SIGNIFICANTLY CHANGES OR A NEW ONE IS INTRODUCED:
  - THE EXISTING RISK ASSESSMENT WILL BE REVIEWED AND AMENDED AS REQUIRED; OR
  - A NEW RISK ASSESSMENT WILL BE CARRIED OUT
  - THIS WILL BE DONE IN CONSULTATION WITH EMPLOYEES, COMMITTEE & MEMBERS.

### ACTION LIST

FOLLOWING THE COMPLETION OF THE RISK ASSESSMENT, AN ACTION LIST WAS GENERATED. THIS IS A LIST OF CONTROLS IDENTIFIED DURING THE RISK ASSESSMENT PROCESS THAT ARE REQUIRED TO BE IMPLEMENTED IN ORDER TO REDUCE THE RISK OF ACCIDENT/ILL-HEALTH IN OUR CLUB. YOU SHOULD:

- ASSIGN A RESPONSIBLE PERSON TO COMPLETE EACH TASK?
- ASSIGN A REALISTIC GOAL DATE AND THE RESOURCES REQUIRED TO CARRY OUT EACH ACTION
- FOLLOW UP TO ENSURE SATISFACTORY COMPLETION.

YOU CAN COMPLETE THIS ACTION LIST BY PRINTING AND FILLING IT OUT BY HAND OR YOU CAN RETURN TO THE 'MANAGE ACTION LIST' AND COMPLETE IT ONLINE.

### **Analysis Content:**

CSRA02- Bar & Kitchen Area Risk Assessment

CSRA03- Walkway Risk Assessment

***N.B Please only select risk assessments that are specific to your club.***

<b>Hazard: Slips, Trips and Falls</b>	
<b>Current Controls</b>	<b>Actioned</b>
<p>Stairs and steps are clearly visible, handrails are suitable, and distractions are avoided</p> <p><i>Adequate lighting, visually clear step edges and handrails, handrails that permit a power grip, no distractions such as posters on walls, mobile phones not used</i></p>	<p>Yes <input checked="" type="checkbox"/> No <input type="checkbox"/> N/A <input type="checkbox"/></p>
<p>Problem stairs and steps (e.g. slippery, short or irregular steps) are identified and extra precautions are in place</p> <p><i>Examples of extra precautions include slip-resistant step edges and highlighting surprise or irregular steps</i></p>	<p>Yes <input type="checkbox"/> No <input checked="" type="checkbox"/> N/A <input type="checkbox"/></p> <p>Need to put yellow paint on outdoor steps</p>
<p>Pedestrian routes (including entrances and exits) are slip resistant, kept clear and clean and are properly maintained</p> <p><i>Repair damaged flooring, keep outside pathways free of moss, leaves etc. Have procedures in place for dealing with ice and snow e.g. gritting or salting</i></p>	<p>Yes <input checked="" type="checkbox"/> No <input type="checkbox"/> N/A <input type="checkbox"/></p>
<p>Slippery surfaces have been identified and have been replaced, treated or improved</p> <p><i>e.g. floor deep cleaned, spills controlled, floor mats used, slip-resistant footwear used or floor may need to be treated with an abrasive technique, acid etched, coated, or other method and new slip-resistance checked</i></p>	<p>Yes <input checked="" type="checkbox"/> No <input type="checkbox"/> N/A <input type="checkbox"/></p> <p>Will get better mat for entrance to club house</p>
<p>Floors around entrances are slip resistant when wet</p> <p><i>Wet footprints inside an entrance show that water is entering the building and if the flooring is not slip-resistant there is a risk of persons slipping</i></p>	<p>Yes <input checked="" type="checkbox"/> No <input type="checkbox"/> N/A <input type="checkbox"/></p>
<p>Floors are wet cleaned when the workplace is closed or quiet and wet areas are cordoned off until dry</p> <p><i>Remove wet floor signs when floors are dry</i></p>	<p>Yes <input checked="" type="checkbox"/> No <input type="checkbox"/> N/A <input type="checkbox"/></p>
<p>Suitable slip resistant footwear is provided and worn where necessary</p> <p><i>Choose footwear with a tread pattern and sole that will grip what is underfoot e.g. liquids, loose solids, ice. Consult with employees and trial the footwear in your workplace. 'Watch your Step—Choosing Slip-resistant Footwear' Info Sheet is in Learn More</i></p>	<p>Yes <input type="checkbox"/> No <input checked="" type="checkbox"/> N/A <input type="checkbox"/></p>
<p>Adequate lighting is provided and is appropriate for the work being carried out</p> <p><i>Identify and consider where there is movement from high to low light work areas e.g. moving from inside to outside a building</i></p>	<p>Yes <input checked="" type="checkbox"/> No <input type="checkbox"/> N/A <input type="checkbox"/></p>
<p>Spills are cleaned up immediately and absorbent materials and warning signs are available</p> <p><i>Use absorbent material to soak up spills. Have these materials near areas where spills are likely</i></p>	<p>Yes <input checked="" type="checkbox"/> No <input type="checkbox"/> N/A <input type="checkbox"/></p>
<p>Trailing cables and leads are re-routed, removed or secured and other good-housekeeping practices are in place to avoid trip hazards</p>	<p>Yes <input checked="" type="checkbox"/> No <input type="checkbox"/> N/A <input type="checkbox"/></p>

Additional Controls or Information	

# Éire Óg Greystones GAA

## Safety Statement

<b>Hazard: Manual Handling</b>	
<b>Current Controls</b>	<b>Actioned</b>
<p>Each manual handling task is assessed (Using the risk factors) and measures put in place where needed to avoid or reduce the risks</p> <p><i>Risk Factors: Load is too heavy / large / awkward or carried with arms outstretched. Load is lifted above shoulder height, lowered to floor level or carried too far. Moving the load involves bending /twisting of body or is done more than 30 times per hour</i></p>	<p>Yes <input checked="" type="checkbox"/> No <input type="checkbox"/> N/A <input type="checkbox"/></p>
<p>Task is organised to allow the use of mechanical aids (e.g. hoist, forklift, stairlift, gantry crane, winch, goods lift, pallet truck, trolley) to avoid or reduce the need for manual handling</p> <p><i>Maintain the equipment in good working order and make sure staff are trained in its correct use. Lifting equipment such as hoists and lifts must be examined every 6 or 12 months by a competent person. Keep records</i></p>	<p>Yes <input checked="" type="checkbox"/> No <input type="checkbox"/> N/A <input type="checkbox"/></p>
<p>Task is organised so that handling is carried out between waist and shoulder height</p> <p><i>Where possible heavy loads should be stored at waist height and lighter loads stored at a higher level</i></p>	<p>Yes <input checked="" type="checkbox"/> No <input type="checkbox"/> N/A <input type="checkbox"/></p>
<p>Heavy or large or unwieldy loads are broken down into more manageable weights or sizes or suitable mechanical aids / team lifts are used</p> <p><i>Load weight should be reduced where possible for safe handling e.g. source a 10kg bag of material instead of 20kg. A two people or team lift may be appropriate but mechanical handling aids, e.g. trolleys, should be used where possible for loads above 25kg</i></p>	<p>Yes <input checked="" type="checkbox"/> No <input type="checkbox"/> N/A <input type="checkbox"/></p>
<p>Work is planned to prevent handling over long distances or frequent repetitions</p> <p><i>Where repetitive tasks cannot be eliminated, it is good practice to rotate staff. Efforts could be made to reduce carry distances by changing the layout of a work area or by using simple handling aids to reduce the long carrying distances</i></p>	<p>Yes <input checked="" type="checkbox"/> No <input type="checkbox"/> N/A <input type="checkbox"/></p>
<p>Bending, twisting and unstable postures are avoided</p> <p><i>Organise the workplace: good housekeeping, clear routes, adequate space and suitable equipment can allow the safe handling / movement of loads and prevent twisting postures. Storing materials at waist height can reduce bending and unstable postures</i></p>	<p>Yes <input checked="" type="checkbox"/> No <input type="checkbox"/> N/A <input type="checkbox"/></p>
<p>Employees &amp; Volunteers receive relevant manual handling training where necessary</p> <p><i>The control measures to be put in place may still require employees to carry out some manual handling. Employees need instruction on how to assess and lift loads safely and instruction is recommended to be delivered by a trained manual handling instructor</i></p>	<p>Yes <input checked="" type="checkbox"/> No <input type="checkbox"/> N/A <input type="checkbox"/></p>
<b>Additional Controls or Information</b>	

# Éire Óg Greystones GAA

## Safety Statement

<b>Hazard: Fire</b>	
<b>Current Controls</b>	<b>Actioned</b>
<p>Sources of oxygen and ignition are controlled, amounts of flammable materials are minimised and waste is removed daily (Keep workplace clean and tidy)</p> <p><i>Sources of ignition; e.g. naked flames, sparks from welding or grinding, overloaded / damaged electrical cables or sockets. Flammable materials; e.g. petrol, paper, flammable gases. If oxygen is used check the equipment is not leaking</i></p>	<p>Yes <input checked="" type="checkbox"/> No <input type="checkbox"/> N/A <input type="checkbox"/></p>
<p>Fire alarm, manual call points and smoke / heat detectors are in place where necessary, kept in good working order and checked regularly (e.g. Daily and weekly checks by the user and three monthly and annual checks by a competent person)</p> <p><i>You may need an automatic detection system linked to an automatic warning system (with back up battery supply) and manual call points on escape routes &amp; at final exits. Servicing, maintenance &amp; repair must be done by a competent person. Keep records</i></p>	<p>Yes <input checked="" type="checkbox"/> No <input type="checkbox"/> N/A <input type="checkbox"/></p> <p>Fire Alarm system needs to be upgraded – Work planned for 2023. Old system is maintained to standard as is possible</p>
<p>Emergency routes and exits are clearly marked, kept clear at all times and lead directly outside or to a safe area</p> <p><i>Escape routes must be adequate for the various types of people likely to use them. The number and types of persons likely to be present must be known. Emergency exit doors must always be available for use i.e. not locked when the building is occupied</i></p>	<p>Yes <input checked="" type="checkbox"/> No <input type="checkbox"/> N/A <input type="checkbox"/></p> <p>2 new exit signs to be implemented – Gym &amp; Hall,</p>
<p>Emergency lights are installed on escape routes where necessary, at and outside exits and near call points / fire fighting equipment and are tested regularly (e.g. Weekly checks by the user and three monthly checks and annual tests by a competent person)</p> <p><i>Emergency lights must have a back-up power source. They may be lit all the time or only light in the event of a power outage. Full standby lighting must be provided in swimming pools and high risk areas such as commercial kitchens</i></p>	<p>Yes <input checked="" type="checkbox"/> No <input type="checkbox"/> N/A <input type="checkbox"/></p> <p>Need outdoor bulk heads outside each exit door</p>
<p>Fire extinguishers are accessible, kept in good working order and inspected regularly</p> <p><i>Firefighting equipment is for use in the early stages of a fire without exposing anyone to danger. It should be checked weekly and serviced annually by a competent person and records must be kept. Refer to the fire safety checklist in Learn More</i></p>	<p>Yes <input checked="" type="checkbox"/> No <input type="checkbox"/> N/A <input type="checkbox"/></p>
<p>Employees are trained in how to raise the alarm, what to do in the event of an alarm sounding, emergency evacuation procedures and in the use of fire extinguishers</p>	<p>Yes <input checked="" type="checkbox"/> No <input type="checkbox"/> N/A <input type="checkbox"/></p> <p>No employees – Coaches trained</p>
<p>Emergency evacuation procedures are in place</p> <p><i>Emergency procedures must take account, where necessary, of persons who have reduced mobility and / or understanding and may require help</i></p>	<p>Yes <input checked="" type="checkbox"/> No <input type="checkbox"/> N/A <input type="checkbox"/></p>
<p>Fire drills are held regularly</p>	<p>Yes <input type="checkbox"/> No <input type="checkbox"/> N/A <input type="checkbox"/></p>
<p>Appropriate signs (e.g. assembly point, fire point) are in place</p> <p><i>Each fire point should be signed and have a copy of the evacuation strategy displayed. The assembly point(s) should be in a safe location away from any fire hydrant and moving traffic</i></p>	<p>Yes <input checked="" type="checkbox"/> No <input type="checkbox"/> N/A <input type="checkbox"/></p>

# Éire Óg Greystones GAA Safety Statement

Additional Controls or Information	

<b>Hazard: Electricity</b>	
<b>Current Controls</b>	<b>Actioned</b>
All new electrical installations and all extensions are tested and certified as safe, by a competent qualified electrician	Yes <input checked="" type="checkbox"/> No <input type="checkbox"/> N/A <input type="checkbox"/>
Electrical installations are checked regularly by a competent qualified electrician  <i>Refer to the 'Guidance-Note on Periodic Inspection and Testing of Electrical Installations' in 'Learn More' for more information</i>	Yes <input checked="" type="checkbox"/> No <input type="checkbox"/> N/A <input type="checkbox"/>
Testing, certifying and repairs are carried out in accordance with appropriate NSAI (National Standards Authority of Ireland) standards	Yes <input checked="" type="checkbox"/> No <input type="checkbox"/> N/A <input type="checkbox"/>
Enclosures / covers are in place to prevent contact with live electrical equipment / parts	Yes <input checked="" type="checkbox"/> No <input type="checkbox"/> N/A <input type="checkbox"/>  May need to fire proof some cupboards
Damaged extension leads are repaired or removed from use	Yes <input checked="" type="checkbox"/> No <input type="checkbox"/> N/A <input type="checkbox"/>
Means of cutting off power (e.g. fuses, trip switches) to electrical installations and equipment are provided and employees are aware of their locations	Yes <input checked="" type="checkbox"/> No <input type="checkbox"/> N/A <input type="checkbox"/>
Work on live electrical equipment is avoided where reasonably practicable  <i>Work on live electrical equipment might be necessary to check the presence of electricity. In such cases it should only be carried out by a competent person</i>	Yes <input checked="" type="checkbox"/> No <input type="checkbox"/> N/A <input type="checkbox"/>
Fire extinguishers that are suitable for fighting electrical fires are provided	Yes <input checked="" type="checkbox"/> No <input type="checkbox"/> N/A <input type="checkbox"/>
All circuits supplying socket outlets are protected by an RCD (Residual Current Device)  <i>Residual Current Devices save lives. They are or should be in almost every workplace in Ireland. An RCD protects you against serious electric shock if there is an electrical fault in your workplace</i>	Yes <input type="checkbox"/> No <input type="checkbox"/> N/A <input type="checkbox"/>  Will need to check this with JC
Operation of the RCD ( ) is tested regularly in accordance with the manufacturer's instructions  <i>A special test button is provided to trip out the RCD. Be aware this will cause a loss of power to electrical equipment</i>	Yes <input type="checkbox"/> No <input type="checkbox"/> N/A <input type="checkbox"/>  Will need to check this with JC
Electrical equipment and fittings are suitable for the work environment (e.g. Suitable IP-rated for protection against water or dust; EX-rated. Refer to NSAI standards)	Yes <input type="checkbox"/> No <input type="checkbox"/> N/A <input type="checkbox"/>  Need to assess electrical sockets

# Éire Óg Greystones GAA Safety Statement

Where electrical portable appliances are subject to on-going wear and tear, they are inspected and tested	Yes <input checked="" type="checkbox"/> No <input type="checkbox"/> N/A <input type="checkbox"/>
Any scorch marks associated with an electrical appliance or electrical wiring is checked urgently by a competent person	Yes <input checked="" type="checkbox"/> No <input type="checkbox"/> N/A <input type="checkbox"/>
Electrical cable reels are uncoiled during prolonged use and when using high-power items (e.g. power-hose, large lighting circuit etc)  <i>Heat can build up in coiled-up cables causing them to melt which can lead to fires or electrocutions. Electrical cable reels should only be connected to small electrical loads when coiled up; when using higher powered items make sure the cable is uncoiled</i>	Yes <input checked="" type="checkbox"/> No <input type="checkbox"/> N/A <input type="checkbox"/>
<b>Additional Controls or Information</b>	

# Éire Óg Greystones GAA Safety Statement

<b>Hazard: Maintenance</b>	
<b>Current Controls</b>	<b>Actioned</b>
All maintenance work e.g grass cutting, cleaning, painting should only take place when the area is free of non-involved persons especially children.	Yes <input checked="" type="checkbox"/> No <input type="checkbox"/> N/A <input type="checkbox"/>
Maintenance must only be carried out by competent persons	Yes <input checked="" type="checkbox"/> No <input type="checkbox"/> N/A <input type="checkbox"/>
Are all roofs, buildings, guttering, drainpipes as far as can be seen sound and well maintained.	Yes <input checked="" type="checkbox"/> No <input type="checkbox"/> N/A <input type="checkbox"/>
All maintenance chemicals and materials to be stored safely in a secure dry place, away from members of the public and club members	Yes <input checked="" type="checkbox"/> No <input type="checkbox"/> N/A <input type="checkbox"/>
All staff, members & volunteers should be issued with personal protective equipment suitable for the task. E.g gloves, dust mask, eye protection, hi visibility vests.	Yes <input checked="" type="checkbox"/> No <input type="checkbox"/> N/A <input type="checkbox"/>
For specialised maintenance only use suitable 3 <sup>rd</sup> party contractors with relevant competence in the specific area.	Yes <input checked="" type="checkbox"/> No <input type="checkbox"/> N/A <input type="checkbox"/>
<b>Additional Controls or Information</b>	

# Éire Óg Greystones GAA Safety Statement

<b>Hazard: Machinery</b>	
<b>Current Controls</b>	<b>Actioned</b>
All machinery used must be in good working order, with all safety guards in place. The machinery must be appropriate for its purpose.	Yes <input checked="" type="checkbox"/> No <input type="checkbox"/> N/A <input type="checkbox"/>
All machinery should be stored away in a safe and secure location away from members of the public, club members & volunteers.	Yes <input checked="" type="checkbox"/> No <input type="checkbox"/> N/A <input type="checkbox"/>
Machinery should only be operated by competent persons with sufficient experience & training.	Yes <input checked="" type="checkbox"/> No <input type="checkbox"/> N/A <input type="checkbox"/>
All moving parts e.g drive shafts & pto's should have proper guards in place. Damaged or missing guards will be fixed or replaced immediately as per manufacturer's instructions.	Yes <input checked="" type="checkbox"/> No <input type="checkbox"/> N/A <input type="checkbox"/>
All Machinery should be in good working order and maintained on a regular basis, machinery maintenance should be carried out by competent persons.	Yes <input checked="" type="checkbox"/> No <input type="checkbox"/> N/A <input type="checkbox"/>  Need to get list of machinery in Club and assess when maintained  Also applies to GYM
Any issue with any machinery should be reported to the relevant person without delay, The key should be removed and given to the relevant person to ensure the machine is not used until the machine is fully repaired.	Yes <input checked="" type="checkbox"/> No <input type="checkbox"/> N/A <input type="checkbox"/>
<b>Additional Controls or Information</b>	

<b>Hazard: 3<sup>rd</sup> Party Contractors</b>	
<b>Current Controls</b>	<b>Actioned</b>
All 3 <sup>rd</sup> party contractors must be competent in the specific area of work that they will carry out. 3 <sup>rd</sup> party contractors must possess sufficient training, experience, and knowledge in that area of work.	Yes <input checked="" type="checkbox"/> No <input type="checkbox"/> N/A <input type="checkbox"/>
3 <sup>rd</sup> Party contractors must provide an up-to-date safety statement, Insurance liability/Indemnity and training records before any work commences.	Yes <input checked="" type="checkbox"/> No <input type="checkbox"/> N/A <input type="checkbox"/>
3 <sup>rd</sup> party contractors should be inducted on the first day and made aware of all emergency procedures.	Yes <input checked="" type="checkbox"/> No <input type="checkbox"/> N/A <input type="checkbox"/>
Work areas must be kept tidy at all times to prevent slips, trips and falls.	Yes <input checked="" type="checkbox"/> No <input type="checkbox"/> N/A <input type="checkbox"/>
3 <sup>rd</sup> Party contractors must make sure that the work area is safe and secure, the work area must be cordoned off with appropriate signage and barriers to prevent unauthorised access.	Yes <input checked="" type="checkbox"/> No <input type="checkbox"/> N/A <input type="checkbox"/>
All waste materials to be removed from site by the contractor once work is complete	Yes <input checked="" type="checkbox"/> No <input type="checkbox"/> N/A <input type="checkbox"/>
Personal Protection Equipment suitable to the task must be worn at all times	Yes <input checked="" type="checkbox"/> No <input type="checkbox"/> N/A <input type="checkbox"/>
Adequate lighting is provided and is appropriate for the work being carried out <i>Identify and consider where there is movement from high to low light work areas e.g. moving from inside to outside a building</i>	Yes <input checked="" type="checkbox"/> No <input type="checkbox"/> N/A <input type="checkbox"/>
Spills are cleaned up immediately and absorbent materials and warning signs are available <i>Use absorbent material to soak up spills. Have these materials near areas where spills are likely</i>	Yes <input checked="" type="checkbox"/> No <input type="checkbox"/> N/A <input type="checkbox"/>
All equipment used by 3 <sup>rd</sup> party contractors must be inspected and in good working order before use.	Yes <input checked="" type="checkbox"/> No <input type="checkbox"/> N/A <input type="checkbox"/>
<b>Additional Controls or Information</b>	

# Éire Óg Greystones GAA Safety Statement

<b>Hazard: Child Protection/Safeguarding</b>	
<b>Current Controls</b>	<b>Actioned</b>
The Clubs Child Protection/Safeguarding Policy must be adhered to at all times.	Yes <input checked="" type="checkbox"/> No <input type="checkbox"/> N/A <input type="checkbox"/>
Where possible two mentors will provide all training sessions, where this is not possible at least one parent will be requested to stay for the duration of the training session. If that's not possible training must be cancelled and parents informed.	Yes <input checked="" type="checkbox"/> No <input type="checkbox"/> N/A <input type="checkbox"/>
At least two adults should be present in the dressing room when mentors are addressing youth players before, during and after the game.	Yes <input checked="" type="checkbox"/> No <input type="checkbox"/> N/A <input type="checkbox"/>
The use of club showers is prohibited by youth players during training & match times.	Yes <input checked="" type="checkbox"/> No <input type="checkbox"/> N/A <input type="checkbox"/>
Youth Players should attend training and matches already togged out	Yes <input checked="" type="checkbox"/> No <input type="checkbox"/> N/A <input type="checkbox"/>
Parent/guardians are encouraged to remain present for all training sessions or request another parent to keep an eye on their child.	Yes <input checked="" type="checkbox"/> No <input type="checkbox"/> N/A <input type="checkbox"/>
All coaches and team mentors must be vetted and have received clearance (enhanced disclosure with AccessNI) or ASAP for new members joining the coaching team.	Yes <input checked="" type="checkbox"/> No <input type="checkbox"/> N/A <input type="checkbox"/>
A background check with relevant personnel should be made when coaches join from other GAA clubs.	Yes <input checked="" type="checkbox"/> No <input type="checkbox"/> N/A <input type="checkbox"/>
<b>Additional Controls or Information</b>	

# Éire Óg Greystones GAA Safety Statement

Hazard: Training & Games at pitch	
Current Controls	Actioned
Training & Games must always be supervised by team mentors	Yes <input checked="" type="checkbox"/> No <input type="checkbox"/> N/A <input type="checkbox"/>
The proper equipment is in place and used correctly	Yes <input checked="" type="checkbox"/> No <input type="checkbox"/> N/A <input type="checkbox"/>
Youth players must play in the correct age group.	Yes <input checked="" type="checkbox"/> No <input type="checkbox"/> N/A <input type="checkbox"/>
Mouthguards/gum shields are mandatory and must be worn at all times.	Yes <input checked="" type="checkbox"/> No <input type="checkbox"/> N/A <input type="checkbox"/>
Access to club first aid kit & defib (AED) at all training sessions and games.	Yes <input checked="" type="checkbox"/> No <input type="checkbox"/> N/A <input type="checkbox"/>
All players must be registered as playing members with the club. Unregistered players not covered under the GAA's insurance.	Yes <input checked="" type="checkbox"/> No <input type="checkbox"/> N/A <input type="checkbox"/>
Have as many first aiders available as possible during training and matches.	Yes <input checked="" type="checkbox"/> No <input type="checkbox"/> N/A <input type="checkbox"/>
Adequate lighting is provided and is appropriate for the training or match being played.	Yes <input checked="" type="checkbox"/> No <input type="checkbox"/> N/A <input type="checkbox"/>
Keep exits clear at all times ensuring emergency services can access and egress the playing area safely.	Yes <input checked="" type="checkbox"/> No <input type="checkbox"/> N/A <input type="checkbox"/>
Contact emergency services immediately if required. If unsure of the persons injury, make the patient comfortable as possible without moving them until the emergency services arrive.	Yes <input checked="" type="checkbox"/> No <input type="checkbox"/> N/A <input type="checkbox"/>
